

Sneha Nair

sneha.nair@email.com | +91-9123456780 | Chennai, India

SUMMARY

Data Scientist with expertise in statistical modelling, deep learning and business intelligence. Proficient in Python, R and SQL with hands-on experience on GCP.

EXPERIENCE

Data Scientist | Analytics Hub, Chennai | 2021–Present

Built customer segmentation models using scikit-learn and XGBoost. Created interactive dashboards in Python using Pandas and NumPy. Deployed models on GCP with Docker.

Junior Data Analyst | Cognizant, Chennai | 2019–2021

Performed exploratory data analysis using R and Python. Wrote complex SQL queries on PostgreSQL and BigQuery. Built automated reports using Airflow.

EDUCATION

M.Sc. Data Science, Anna University, 2019

SKILLS

Python, R, SQL, scikit-learn, XGBoost, LightGBM, TensorFlow, Pandas, NumPy, Keras, PostgreSQL, BigQuery, Snowflake, GCP, Docker, Airflow, dbt, machine learning, data science, data engineering, NLP
