SUMMARY

Results-driven and passionate software professional with a proven track record of leveraging cutting-edge technologies to deliver innovative solutions. Seeking a challenging role in a fast-paced environment where I can utilize my comprehensive skill set to facilitate seamless collaboration and drive synergy across stakeholders.

EXPERIENCE

Software Engineer | TechCorp Solutions, Bangalore | 2021–Present

Proactively leveraged Python and Django to facilitate robust and comprehensive backend systems. Utilized AWS and Docker to seamlessly deploy state-of-the-art microservices. Results-driven approach ensured stakeholders were consistently satisfied with deliverables. Demonstrated excellent communication skills and was a committed team player.

Junior Developer | InfoSystems, Pune | 2019–2021

Strategically utilized JavaScript and React to deliver cutting-edge, detail-oriented frontend solutions. Proactively collaborated with diverse stakeholders in a fast-paced agile environment. Committed to excellence in every action-oriented task undertaken.

EDUCATION

B.Tech CSE, Bangalore University, 2019
